Dear Mrs Harrieth - What a delightful time you gave
us last night! I said to John on the way home
that you are the despair of ordinary people like myself
who cannot give you artistic touch to everything -
Soup - goblets - dessert and dessert plates - we did
enjoy every minute of the time, and thank you and
your husband for the complete relaxation of it
all - These flowers are in such contrast to the
snow that is falling. that I knew you
would enjoy them -

Most warmly and affectionately yours

Dear Lady - I take the liberty
of slipping into these greetings
a personal word about our
plans for Canada. On Jan. 29 -
we are engaged to give our
illustrated talk with original
songs in costume at Memorial
Hall - Guelph when we shall again
be the guests of President and Mrs.
Reynolds. Following Guelph we
expect to go to Ottawa for my daughter
to gather more folk-songs with
H. Barbeau. Her French Canadian
songs gathered last year have
been greatly liked in her
house-spirit costume. We would
like to stop over a day or so to
see our Toronto friends - but to
do so must defray expense
with giving a program. Do
you think the Heliconian Club
would use us? How can I
get in touch with them?
Could you tell me soon, dear
Lady, and receive all gratitude
from
Evelyn and
Elizabeth Parker -

Christmas Greetings and all
good wishes for your happiness
in the New Year

The Barrys.
